

Welcome to Term 4 and the arrival of spring.

We are looking forward to a new term and more fun and learning.

We took part in safer internet day on February 7th. We thought about how we need to keep ourselves safe when we are using the internet. Our e-cadets continue to do a fantastic job informing us how and what we need to do to stay safe online. On 22nd February we had the local PSO's come to talk to the older children about using the internet appropriately.

Each month we have a visitor who takes an assembly talking about the value of the month and how it impacts on their lives. Miss Barras came to talk about the responsibility of having a pet. Betty was very well behaved in our assembly!

Mrs Adams talked to us about her hobby, walking, and the simple pleasure she gets from the countryside. Mrs Adams loves the simplicity of nature, flowers, trees and animals, all the many things that she sees on her walks.

Many children from Year 1 to Year 6 represented Haydon Wick School at the dance festival on Monday 30th January at the Wyvern Theatre. They performed fantastic dances to top 10 hits. They also performed to the rest of the school in a special assembly at the end of term. They performed with confidence on the stage and we were really proud of them.

Our topics last term have been inspiring us to complete a variety of quality work, of which some can be seen displayed around our school in our fantastic displays.

We have a new homework policy and each class had a pick and mix homework where they could choose a homework activity to complete and bring in to share with the class and our parents. There was some very impressive completed homeworks brought into school and we enjoyed sharing them with our parents and friends.

We have lots of exciting learning and experiences awaiting for us in Term four...

We will be celebrating world book day on Thursday 2nd March with a trip to the library and a session with a storyteller. In the evening we are holding a parents information meeting on helping children read. Parent's evenings will be on Tuesday 7th and Wednesday 8th March, where you can come and see your child's teacher and look at their work and the progress they have made. All the school will enjoy live theatre at school when the Storybox theatre visits our school on Thursday 6th April.
