

Haydon Wick Primary School

After School Club Leaflet

Monday 10th January to Friday 10th February 2023

Our clubs will run in classrooms, school hall or outside, depending on the activity. Please ensure your child has the right footwear and clothing.

Safeguarding

As part of our school safeguarding policy, the After-School Clubs follow the same guidelines. We have agreed ratios for children's welfare and safety. Unfortunately, we are unable to extend pupil numbers over the maximum, which is 20 per club.

For all the clubs, risk assessments are in place.

All Premier Sport clubs need to be booked through the office directly. You would have received a leaflet with the return-slip attached – please return as soon as possible. You will receive confirmation from the office to let you know your child has secured a place.

For all the clubs, it is a first-come-first-serve basis. If you are unable to get a space on the club this time round, you will be prioritised next time. We aim for every child in the school to attend an after-school club this academic year.

At Haydon Wick Primary School, we believe that every child should have the opportunity to enjoy a range of experiences within physical education and sport.

Through our extensive curriculum, extra – curricular clubs and experiences, we promote positive attitudes to health and wellbeing, the development of fundamental skills and a love of being active.

Our Aims

- **To provide an extensive range of activities and games to stimulate children of different ages.**
- **To provide safe and friendly childcare.**
- **To help parents balance work and family commitments.**
- **To ensure every child has the opportunity to participate in at least one after-school club.**

As with any extra -curricular activity, all children must keep to the school rules and values. If children are not behaving as expected, the school reserve the right to withdraw the provision.
