Get Involved!

Write a ten point list of ways to help save the environment (think recycling, pollution, etc).

Get Creative!

Use recycled materials to make an under the sea scene.

Get Online!

Research online for a positive news story.

Get Active!

Create a dance using crazy dance moves. Can you do 'the lawnmower' or 'sowing seeds'?

Create a cosy den with blankets and cushions. Sit back and enjoy a David Attenborough documentary.

Create a family of elephants using used milk cartons.

Use technology to express gratitude.

Find a quiet space in your garden or living room to complete some Cosmic Kids Yoga activities.
