Friday 16th November 2018

Dear Parent,

Children In Need

Thank you so much for your donations today for Children In Need. We raised a brilliant £319.60. The children enjoyed doing their thing by dressing as they wished. We all went out onto the playground after assembly and this is a picture of the whole school saying 'Choose Respect'. This was a lovely way to conclude our Anti-Bullying week.

Christmas Post

Children are able to send Christmas cards to each other through our Christmas post. This will start on Monday 10th December. The post box will be situated in the main entrance. To ensure each card gets to the correct child, please write the child's first and last name and the class they are in on the envelope.

Christmas Meal

The Christmas meal will be served on Wednesday 19th December. Menus will be sent out next week. The deadline for booking is Friday 7th December. KS1 - Free / KS2 - £2.25.

Christmas Productions / Concerts

That special time of year is fast approaching and the children are getting ready to impress you with their Christmas Performances. Please see the Christmas productions and concerts information letter for ticket information which will be sent on Monday. Key Stage 2 pupils who are performing at the evening concerts must be in school for 6:45pm. The concert will start at 7pm. Years 5 and 6 are expected to attend both evening performances.

Carol Concerts:

Bad Weather Closure Notification System

The weather conditions can be un-predictable and can result in some school closures. With this in mind we would like to reiterate our procedures for closing the school in the event of bad weather or other circumstances outside of our control.

Our aim is to give pupils, parents and staff as much notice as possible. Often the weather forecast is not always reliable and bad weather overnight may lead to a decision having to be made early in the morning to close the school. We will always keep the school open whilst it is safe to do so. However, in access difficulties, power cuts, heating failure or in the case of an overwhelming staff shortage, we may have to take the decision to close.

If we do have to close the school, we will use the following means to alert the school community:

- A closure message will be sent out via the Schoop as soon as is practicable after the decision is made.
- A message will be sent via the school's Twitter account. Follow @HaydonWickSch
- The school website will be updated with the latest information.
- Local radio stations will be informed and should broadcast details of school closures throughout the day. These include Heart Radio on 97.2 or 102.2 and BBC Radio Wiltshire on 103.6 or 104.3.
