

January Value of the month:

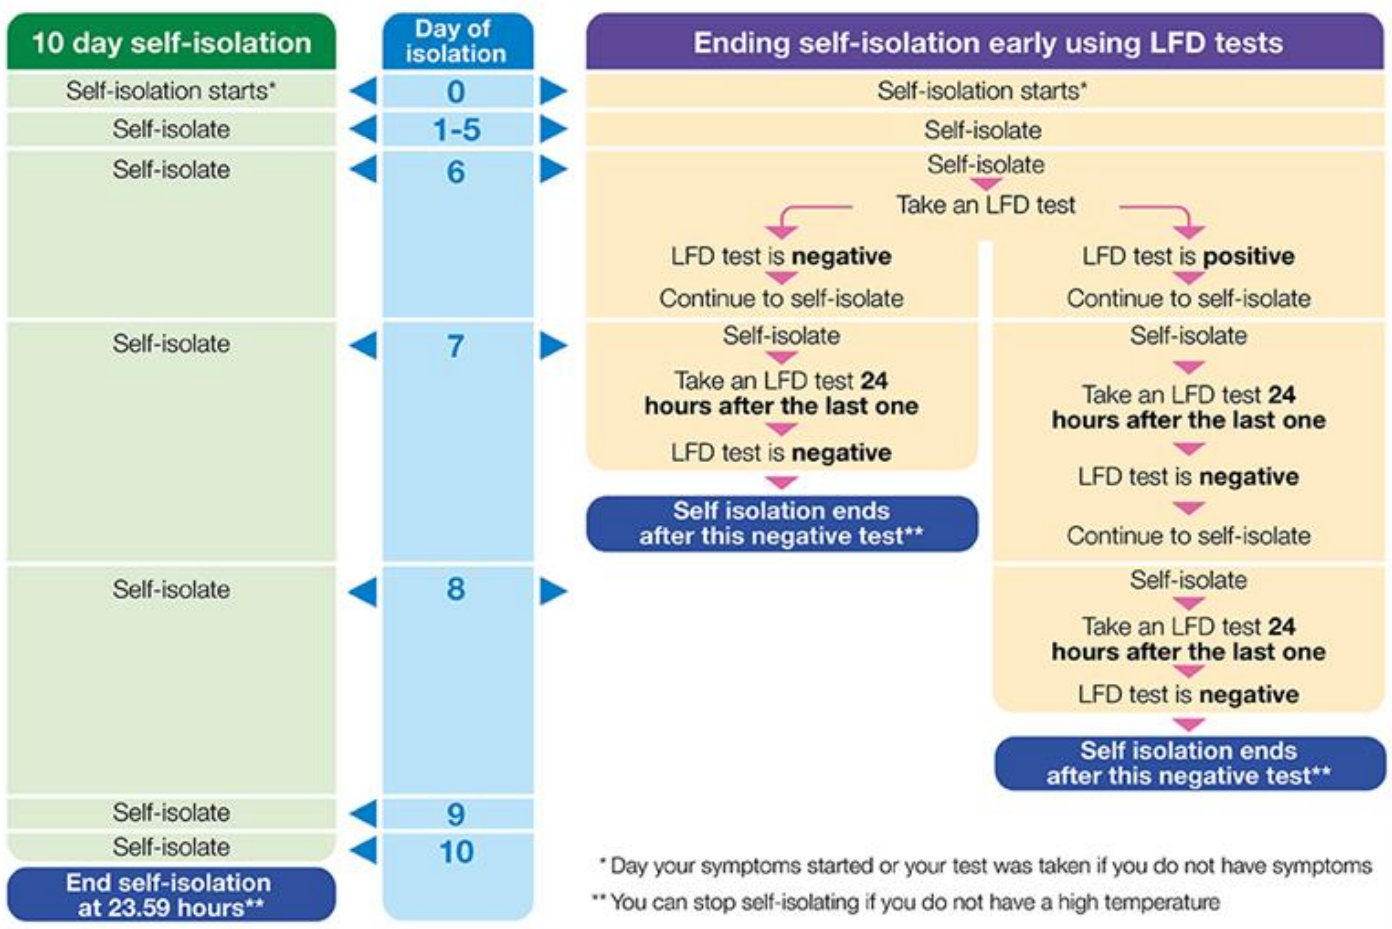

Quality Using the best materials. Doing the best with those materials. Quality thoughts lead to quality words lead to quality action.

Welcome back to term 3

It has been lovely to have everyone back at school and we have lots of learning planned for this term to enthuse the children.

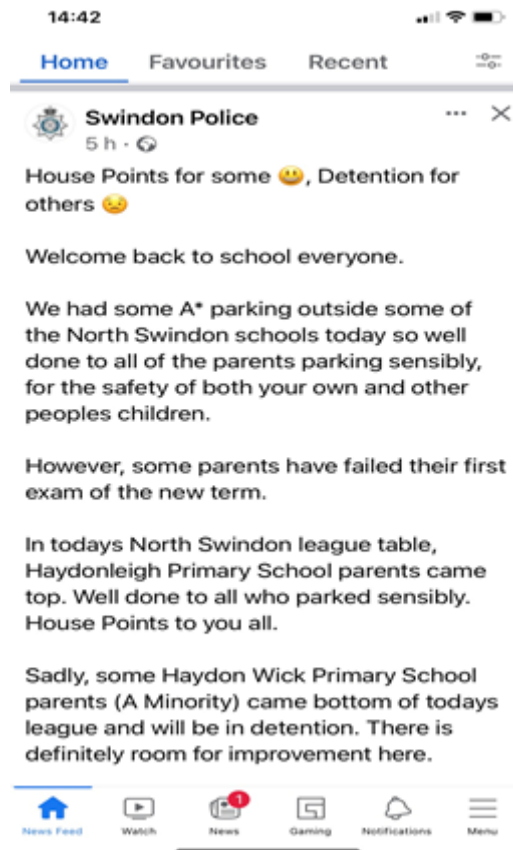

The guidance is constantly changing and the new Omicron variant bringing with it more challenges for us all. I have attached a useful chart which explains how things stand presently with isolating after testing positive for COVID. We will continue with the controls we had in place last term in our school.

Parking and safety of our children

We were saddened to be sent this post below on Swindon Police Facebook page on 5th January. When dropping off and picking up at our school please park with consideration to others and for the safety of all our children and school community.

Update from NHS Bath and North East Somerset, Swindon and Wiltshire Clinical Commissioning Group

As you may be aware there is currently unprecedented pressures across the hospital in Swindon as well as primary care and within our community services and would like to take the opportunity to share with you the relatively new service set up in Swindon called: **Winter Young Person's and Children's Clinic.**

The winter young persons and children's clinic is a new clinic/service dedicated for acuter illnesses for children living in Swindon lead by an experienced team of GP's and advanced clinical practitioners suffering from, aching muscles, continuous cough, high temperature, loss or taste of smell, persistent headaches, new fatigue. It is more likely to be unwell during winter months, this new service allows easier access for medical care when needed and ease demand on local surgeries and or hospital.

The clinic runs Monday to Friday 8am to 4pm and can be contacted on 01793 709505 and is based at Taw Hill Medical Centre.
