**At Haydon Wick Primary School, we show the value of tolerance by:**

- Realising that everyone is unique.
- Respecting the beliefs and opinions of others.
- Learning about different faiths.

What does the value of tolerance mean to us?

Dheysel, "Accepting new people in school."

Mia, "Not being mean to people."

Isabelle, "Being friends with people who are different."

How do you show the value of tolerance at home?
