

Child Friendly Behaviour and Anti-Bullying Policy 2022/2023

Produced by our Anti-Bullying Ambassadors and
Rights Respecting Group 2022-2023

Haydon Wick Primary School

As we are a Rights Respecting school we work together to ensure the
children at Haydon Wick Primary school have their rights met.
EVERY CHILD HAS RIGHTS.

**Article 19: You have the right to be protected
from being hurt and mistreated, in body and
mind.**

Our School: What we want it to be like:

Our school is special to us and we want it to be a place where everyone feels happy and is friendly towards each other. We all want to follow our motto 'Working together...playing together.' To do this, we need to co-operate with each other and treat each other with patience, kindness, and respect. Our 22 values, our children's rights and our British values are important to remember and to show towards each other.

How we should behave and why:

We should behave in a respectful way that makes all children and adults in our school feel safe. This means we should be kind and friendly to everyone. We should listen carefully to each other and follow instructions.

What happens if we behave appropriately?

Each term the house with the most values points has an extra playtime. We also get stickers, class dojos and postcards sent home. In Friday assembly, we celebrate hard work, achievements and those who have shown the value of the month. Golden tickets are awarded for the Golden table on Friday lunchtimes for Early Years and KS1. Each class has their own reward system that means if we behave well there is an end of term treat.

What happens if we do not behave appropriately?

We are given a warning, which gives us a chance to make the right choice. If we make a wrong choice, a member of staff will talk to us about our choices and we will be reminded that we need to respect other people's rights. If we continue to make the wrong choices, we may need to leave the classroom, miss playtimes or see Mr Neal. If our choices continue to be wrong, our parents will be informed. If it is serious inappropriate behaviour, we might be sent home.

We will always have a chance to discuss our behaviour and make steps to put it right.

What we promise to do:

We will try our hardest to follow the values and school charters and be positive towards others. We promise to follow our class charter, making sure everyone has their rights met. We will also follow our playground charter, which explains how to respect other people's rights at playtime.

We are aware of our Computing charter, which explains how to use technology responsibly.

Are our behaviour rules for everyone?

We expect everyone at Haydon Wick Primary School to respect our charters. Some children find it hard to follow the charters and we help those children in different ways so they can earn rewards too.

Are our behaviour charters for all times?

We should behave well at all times when we are wearing Haydon Wick's school uniform: class times, assemblies, playtimes, walking to and from school, on school trips, after school clubs, and with visitors so that people outside and inside school can see we make the right choices and do our best.

What is Bullying?

In our school, a bully is someone who hurts someone more than once, by using behaviour which is meant to hurt, frighten or upset another person.

Bullying can be...

Emotional: Hurting people's feelings, leaving you out.

Physical: Punching, kicking, spitting hitting, pushing.

Verbal: Being teased, name-calling.

Racist: Graffiti, calling you racist names.

Cyber: saying unkind things by text, e-mail and/or social media.

When is it bullying?

Several

Times

On

Purpose

We promise to always treat bullying seriously.

What should I do if I see someone else is being bullied?

- Don't walk away and ignore the bullying, don't be a bystander.

- Let someone know what is happening; tell a trusted friend or adult.
- Tell the bully to stop if it is safe to do so.
- Don't stay silent – tell someone to help stop the bullying behaviour.

The Principal (Mr Neal), the Governors, the staff, the School council, the Rights Respecting group and our Anti-Bullying Ambassadors will work together to:

- Make our school a place where everyone can feel safe and happy. We will not tolerate bullying.
- We will help everyone to get on with each other and we believe that everyone has the right to be who they are.

Who can I tell?

Tell a friend, your parents or guardians, teachers, our Anti-Bullying Ambassadors, our Rights Respecting Council, School Council, lunch time staff, any other adult in school, Mrs Palmer, Mr Neal or another trusted family member.
