**At Haydon Wick Primary School, we show the value of simplicity by:**

- Enjoying the simple things in life – reading, nature etc.
- Trying to make things less complicated
- Helping to simplify things so we can understand

What does simplicity mean to you?

Ronnie, “Enjoying nature/ plants.”

Jake, “Making things simple.”

Bailey, “Doing and enjoying simple stuff.”

Layton, “Making things simple.”

How do you show the value of simplicity at home?
