## Hedgehogs Class Homework

### Pick and Mix Home Learning

This year we have decided to take a different approach to home learning, to give the pupils an opportunity to be more creative and choose what interests them. We hope that it will also provide some activities that pupils and parents may enjoy working on together.

In addition to the essential weekly reading, spelling and maths work we have provided you with 5 other tasks. These are varied and cover a range of subjects.

Encourage your child to complete at least one of these tasks.

You may complete more if you wish or, if you have any ideas of your own, please feel free to do them as part of your Home Learning.

You may produce your home learning in any way you wish and spend as much time on it as you wish. Of course, we encourage you to present your work as well as possible. You have lots of time for this, so spread the tasks out.

At 3.25 on the due date for homework, (Thursday 14<sup>th</sup> February), it will be displayed in the classroom to share with all class members, parents and carers.

We look forward to seeing all the wonderful work you produce!
