

## Tiger and Jaguar Pick and Mix Home Learning

This term you may choose your own homework!!

This will give all pupils an opportunity to be more creative and choose what interests them. We hope that it will also provide some activities that pupils and parents may enjoy working on together.

1. Simply choose one or more tasks from the table on the other side of this sheet.
2. You can **CHOOSE** how to present your homework. You could act it out, make it and photograph it, draw and label it, write it!! These are just a few ideas....
3. Hand in the homework before Friday 16<sup>th</sup> October

You will need to keep doing important things like reading, spelling, maths and times-table practice. Look at the checklist below and make sure that you do the tasks *every week*.
