

Jaguars Term 1

Class Blog

Jaguars class have enjoyed a great start to the year. We have learnt some new ideas and developed our learning across the curriculum.

Our topic for Term 1 was World War Two. We have studied how the war started and the politics behind the decisions. We have learnt about the countries involved and some of the important and key events. We have also learnt about the plight of refugees and the sacrifices children had to make during the war.

In English we have linked our writing to the topic by basing the studies around the book 'Letters from the Lighthouse' by Emma Carroll. The children have really enjoyed this text have produced some excellent diaries and recounts.

In science we studied electricity. We made circuits and investigated the effects of adding or removing certain components. The pupils also designed their own investigations and recorded the results.

We have also had great fun learning yoga in PE as well as completing fitness-style training programmes. In French we have learnt to greet people and introduce ourselves and in computing we have learnt to use the coding programme on Purple Mash to design games and activities.
