At Haydon Wick Primary School, we show the value of responsibility by:

- Caring for the environment (eco club and not littering)
- Showing responsibility for our learning
- Looking after others
- Following our school and class charters
- Listening to others

How do you show responsibility?

Megan, "I show responsibility by tidying room and doing my work."

Francesca, "I show responsibility by doing things people tell me to."

Connie-Mae, "By putting my brother to bed when I don't want to."

How do you show the value of responsibility at home?
