At Haydon Wick Primary School, we show the value of thoughtfulness by:

- Listening and talking to others
- Caring for and thinking of others
- Playing with each other
- Checking people are not hurt when they have fallen over
- Being helpful
- Showing kindness

What does the value of thoughtfulness mean to us?

Paige, "Talking to someone if they are lonely or sad."

"Think of others."

Hollie, "Don't break school property."

How do you show the value of thoughtfulness at home?
