At Haydon Wick Primary School, we show the value of trust by:

- Telling the truth and being honest
- Being kind to people
- Being trustworthy
- Proving we can be trusted

What does the value of trust mean to us?

Florence, "If you tell someone a secret and they keep it you can trust them."

Ella, "Relying on someone and doing what they say."

Connie/Keira, "Relying on your friends."

Mrs Deegan, "Asking someone to do something and they do it."

How do you show the value of trust at home?
