

We will continue to practise reading comprehensions in class but it would be really beneficial if everyone can have a go at completing the reading comprehensions sent home in this pack.

Maybe you could complete one a week.

We are going to be writing stories.

Can you use our five sentence openers and make up your own silly story about a hero?

## Essential Homework

To be done EVERY DAY!

Read for 10 minutes

Learn and practise your spellings.

Practise your 2x, 5x, 10x tables on Maths Rockstars

We are learning about Isambard Kingdom Brunel and would love you to carry out research about him.

You can then present your research to us in many different ways e.g. video recording, poster, booklet.

## Squirrel Class

### Pick and Mix Homework

#### Term 4

Remember you don't need to do all 7!

Log on to Purple Mash and find the new 2do. Your task is to complete some time challenges.

We are learning about fractions!

If you have 20 smarties, can you work out what half, quarter and three quarters are?

You could show your answers with drawings or photos.

See the attached sheet which has lots of addition and subtraction questions on.

Can you answer them using the method taught in class? Remember for some questions you will need to **exchange**.

Can you design a new outfit for a superhero? Think about what fabric they would need to help them use their super powers.

All work to be returned on Tuesday 31<sup>st</sup> March and shown to parents on 1<sup>st</sup> April at 3.25pm.
