

Pick 'n' Mix Homework

English Write a story or poem set in Ancient Egypt. Include fantastic vocabulary to describe the scenery.	Maths Make a game to help you learn your tables.	Science Find out about plants – can you design your own garden? How would you attract helpful insects?
Geography Research modern Egypt – How would you get there? What is there to do there? What is the temperature?	Reading Read a non-fiction book and present the top five facts you discovered.	Art Research ancient Egyptian art and produce your own sketches/sketch book page about your findings.
Outdoor learning Build a microhabitat for a minibeast.	Computing Use 2paintapicture on Purple Mash – recreate a famous work of art using the programme.	Physical activity Can you build and complete an obstacle course? What is the fastest time you can safely complete it?

Remember that you should also be reading at least four times a week and practising your times tables.

Please choose at least two activities to complete by the end of term 4. Be creative and careful in the way you present your work. To be handed in on Monday 4th April and presented to the class.

Photos and videos can be uploaded to Dojo.
