## **At Haydon Wick Primary School, we show patience by:**

- Waiting to say something in class
- Taking turns with toys/equipment
- Waiting in lines
- Waiting for dinners

## **What patience means to our school:**

Macy said, "Being patient to me is waiting."

Mya said, "Patience is when you wait patiently."

Layla said, "Patience is when you wait unbelievably calmly."

## **How do you show patience outside of school?**
