

We are looking at numbers to 100 and looking at how many tens and ones different numbers have.

E.g. 76 = 7 tens and 6 ones

Can you choose some numbers and show me how many tens and ones they have?

Design your own animal and its habitat. What would your animal look like? Where would it live? What does it need for it to survive? You can draw, paint or make your animal and its habitat.

PE - You have 5 minutes - how many times can you complete this circuit?

10 x star jumps

10 x burpees

10 x squats

10x press ups.

How many times did you complete the circuit?

Carry out an act of kindness for someone in your house. What did you do? How did it make them feel? How did it make you feel? Take pictures and add them onto Class Dojo.

Squirrel Class

Pick and Mix Homework

Term 1

Remember you only need to choose 2/3 of the activities

In Science, we are going to be looking at habitats.

Can you go on a minibeast hunt? Look under rocks, in hedgerows and in trees. Draw or paint the habitat and the animal that lives there.

Handwriting - This term, we are focusing on our handwriting. Using the sheet attached, practise your cursive handwriting.

Why don't you write a sentence about what you've been doing at the weekend and show us your beautiful cursive handwriting.

Covid rules dependent

All work to be brought in on Monday 11th October and will be shown on Thursday 14th.

Essential Homework

To be done EVERY DAY!

Read for 10 minutes

Learn and practise your spellings.

Practise your 2x,5x,10x tables and use maths rockstars

Insects - Research and create a poster about your chosen insect. This could be a bee, woodlouse, beetle, butterfly or a spider.
