

Hello Everyone!

Welcome to Otters

When you come back to school in September, you will be in Otters class – a class of Year 4 and Year 5 children and our first topic will be Earth in Space.

I will be your teacher and my name is Mrs Deegan.

I have two grown up children and two very large cats. I am obsessed with Marvel, Disney and Doctor Who.

This is Mrs Daytona: she is our class teaching assistant.

She lives with her husband, twins and a house rabbit named Zeus and two cats, Bonni and Yoshi. She also has another daughter. Her favourite things to do are anything artsy, beach combing and sleeping!

This is Mrs Kent.

She will be working with a small group of children and sometimes, she will work with the whole class. She likes to spend time with her children and family and to travel and explore different places in her camper van.

She has four chickens Ted, Clemmie, Hattie and baby Honey. They are really cheeky and funny to watch.
