

A photograph of a teacher with glasses and a white top leaning over a table, smiling and interacting with several young students. The students are focused on their work, with one holding a pencil. A green cup with colored pencils is on the table. The scene is set in a classroom or workshop. A large green diagonal graphic element is on the right side of the image.

Competition Time!

We would like you to design a colourful ATTENDANCE poster, explaining why it is important for us to come to school 😊

There will be prizes for the best poster as judged by a group of WHF Attendance Ambassadors and your poster might be displayed on the website and in newsletters. There will be a student and a staff category so we would like you all to get designing!

Ideas for the poster:

- Use clear, large print on the poster so that people can easily read it.
- Make it as colourful as you wish, your poster needs to stand out.
- Describe what you like about school and have fun 😊
- Please **do not put** your name/s on the front of the poster as this may prevent it from being shared (details to be written on the back in pencil to include year group and school).

Deadline for entries is Friday 7th June (to give pupils and staff a chance to work on these over half term should they wish).
