

We find lots of different ways to be creative. When we make/build models, we write a name label so everyone knows it's ours.

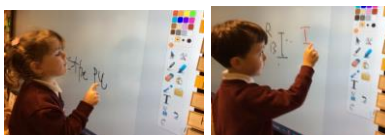

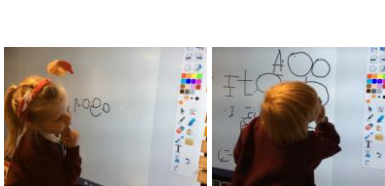

The animals were trapped in the ice so we helped to save them!

We love exploring the woody den!

We found bugs, made dens and made musical instruments.

Now we can read and write our tricky words. We enjoy practising our writing on the interactive whiteboard.

Dragonflies

Term 2

We really enjoyed performing 'The Nativity' with our friends in Honeybees and Frogs. We hope you enjoy watching it!

We have been learning all about numbers to 10! We have found 1 more/1 fewer, looked at dice patterns, used tens frames and numicon to represent numbers. And we have learnt about 2d and 3d shapes.

A special visitor came to see us in school...Father Christmas! He read us a story and gave us all a chocolate treat.
