

Tiger Class blog – Term 2Term 2 Blog

What an eventful term it has been for Tigers! We have continued to explore our topic of World War Two and the pupils have discovered some fascinating facts. We have studied; ‘The Blackout’ - where the country tried to deter German bombers from finding targets at night; the causes and consequences of the war and the politics involved; WW2 propaganda posters and we have also looked at some fantastic replica artefacts from the early 1940s.

But the greatest experience from Term 2 was our trip to Coleshill. The manor house at Coleshill was used as a training base for volunteer auxiliary soldiers – people who were willing to become dedicated resistance fighters if the German army ever invaded Britain. We had a brilliant time learning about secret codes, exploring underground bunkers, completing basic training and learning about the history of the site.

To add to our wonderful history learning we have also completed some tricky Design and Technology projects. Firstly, a working lighthouse model using paper mâché and also a felt Christmas tree decoration using our sewing skills.

We have also learned the basics of football and gymnastics in our PE lessons, improved some of our art techniques in drawing and sketching, learnt the colours and items of clothing in French, completed some difficult programming skills using Purple Mash in computing and learnt about the gospels in RE.
