## Year One Homework

### Pick and Mix Home Learning

This year we have decided to take a different approach to home learning, to give the pupils an opportunity to be more creative and choose what interests them. We hope that it will also provide some activities that pupils and parents may enjoy working on together.

In addition to the essential daily reading, phonics and spelling practice, we have provided you with 7 different tasks. These are varied and cover a range of subjects.

Encourage your child to complete **at least 1** of these tasks.

You may complete more if you wish or, if you have any additional ideas of your own, please feel free to do them as part of your Home Learning.

You may produce your home learning in any way you wish and spend as much time on it as you would like. Of course, we encourage you to present your work as well as possible. You have lots of time for this, so spread the tasks out.

Please **upload your completed homework to Class Dojo by Friday 10<sup>th</sup> December** to share with the rest of your class. We will then share the uploaded work with the rest of the class throughout the week. We look forward to seeing all the wonderful work that you produce!
