Year 1 Homework

Pick and Mix Home Learning

Thank you for your super response to our new approach to home learning. The children were so proud of their homework last term and it certainly enhanced their learning in school. We hope that you also enjoyed working on it together and will continue this support as the year progresses.

In addition to the essential daily reading and spelling practice, we have provided a choice of 7 different tasks. These cover a range of subjects within our Traditional Tales topic.

Encourage your child to complete **at least 1** of these tasks.

You may complete more if you wish or, if you have any additional ideas of your own, please feel free to do them as part of your Home Learning.

You may produce your home learning in any way you wish and spend as much time on it as you would like. Of course, we encourage you to present your work as well as possible. You have lots of time for this, so spread the tasks out.

Please put your completed homework on Class Dojo by **Friday 11th February** to share with the rest of your class. We will then share the children's exciting home learning with the rest of the class. We look forward to seeing all the wonderful work that you produce!
