Exploring
Calculation strategies $+$ $-$ \times \div
Money
Measuring length
Shape

PE

Dance inspired by the Great Fire.
Outdoor Games – ball skills and simple invasion games.

Year 2 Spring Term 2019

Fire Fire!

DT Design and make our own fire engines.
How does a car move? How will our models move?

Computing

PowerPoint to create a timeline of the Great Fire of London.

Algorithms and Coding

History

The Great Fire of London!
Where it started, who was responsible, why it spread so easily, why it lasted so long & how it was finally put out!

Science

Materials & their properties. Introducing 'Traction Man' and thinking about which materials he needs to help him solve different problems.
