1<sup>st</sup> May 2019.

Dear Parent,

Earth Summit.

We have been offered an exciting opportunity to visit Coleshill Estate for a day of environmental workshops. The Education Centre is offering a day of activities for our Year 4/5 classes. This is a valuable chance for children to learn more about how to be environmentally responsible in today's world. They will learn about wind turbines and water mills as well as visiting the low carbon village onsite. They will also find out about organic vegetable gardening as well as reducing, re-using and recycling.

The visit has been arranged for Wednesday 22<sup>nd</sup> May. Your child will need to bring a packed lunch on the day. The cost is £4 per child. Unfortunately, as we have to pay for the visit irrespective of the number of children attending, we will be unable to make a refund if your child is not at school on the day. Please return your slip and make your payment by Friday 10<sup>th</sup> May.

Yours sincerely,

L. Deegan
